Project Title: Leavitt Lake Community Services District Well #2

Project Applicant: Leavitt Lake Community Services District

Project Location - Specific:
471-830 Buffum Lane; Susanville, CA 96130

Project Location - City: Susanville Project Location - County: Lassen

Description of Nature, Purpose and Beneficiaries of Project:

Leavitt Lake Community Services District is a small community whose second well is not currently in use due to high iron content, a significant deteriorated casing, and the fact that it pumps a large amount of sand. If Well #1 were to malfunction, it would take days to locate parts and have it repaired. This project is to obtain financing to plan for a new second well to provide source redundancy for the system.
